+ F O R E W O R D +

+ F O R E W O R D +

You hold in your hands a 1940 Bell. Yes—the same name, the same size, the same activities, but different because it is a book filled with the spirit of new ideas.

Early last fall the staff met, our plans were laid, and the work was begun. As the work progressed, we became more convinced that we had something important to do. We believed sincerely in the students of San Jose High, in their own activities, and in the qualities expressed by the leaders of those activities.

Perhaps our desire to be original has led us to be radical; perhaps we have overdone somethings; yet we feel that in some ways we have accomplished our purpose. In that spirit we have created this Bell, and in that spirit we offer it to you.

+ DEDICATION +

A school is known by its students, and students are known by their leaders. Leaders are important people, and they deserve to be. Yet, too often we take our dances, rallies, games, clubs, and publications for granted. Too often we fail to recognize the work that has been done, and the time that has been spent.

We of San Jose are fortunate in having a group of students who, by their tireless efforts during the past year, have successfully guided our student life.

Thus, because we have come to realize the important work they do, because we feel that too often their accomplishments go unheralded, and because we see in them students at their best, we dedicate this Bell of 1940 to the LEADERS of San Jose High School.

A D M I N I S

Mr. Murdock — he needs no introduction for his cheery smile and "Hello Bill" have made him known to every student. Close to the student's interests and modern in his ideas he is, nevertheless, firm in his desire to teach us order. Often he is more easily found in the corridors and classes than in his office. In this, we believe, lies his success, for we respect and admire him most of all because we feel he is one of us.

MISS O'NEIL

We give you our dean of girls, patient and kindly, who makes our Girls' League a success and gives an incentive to every high school girl.

MR. LATHROP

When planning a career, choosing a course, or just making out new programs, we may depend upon Mr. Lathrop, our registrar, to give us the advice we need.

MR. SHIPP

To his many duties in guidance and curriculum, our vice principal brings dependable execution and a dash of that personal touch.

MR. DENT

In his first year as dean of boys, Mr. Dent put over many successful Boys' League activities. His technical crew has provided a whole year of classroom programs through movies and transcriptions. Because he makes himself one of them, Mr. Dent is a favorite of all the boys.

KENNY TAIX

LEAD

"The most outstanding boy San Jose High School has ever known." These words acclaim our Fall Student Body President, Kenny Taix, who proved himself more than worthy of this praise. Kenny's accomplishments in track have brought fame to San Jose High School as have his many other accomplishments: scholastic record, publications activity, chairmanship, and musical contributions. Kenny's friendly smile is the envy of every boy and the treasure of every girl. High school is only the prelude to the things he will accomplish.

ART started his career as a San Jose High School student in the fall of '37 when, as a low sophomore, he had his first taste of real football. From that time forward Killam and the gridiron have been synonymous. We find him shining not only as an athletic hero but also as a statesman when, after presiding over his registration class several times, he crowned his glory with a successful term as Spring Student Body President, assuming his many duties and executing them in his stride.

BOYS' LEAGUE BONFIRE AT NIGHT RALLY

Because they touch each and every student in San Jose High School, the Boys' and Girls' Leagues are the largest organizations in the school. Because they represent so many students, they carry on a great number of varied activities. The Girls' League holds a Big and Little Sister Party for the sophomore girls, a Jinx for the juniors, and a Tea for the seniors. Another annual affair is their Fashion Show. The Boys' League invites guest-speakers to their meetings, and have plans for a student Smoker. This year the League put on a very successful night rally.

Girls' League officers were; Fall: president, Dorothy Malech; vice-president, Bette Werner; secretary, Nadine Johns; treasurer, Jane Walker. Spring: president, Bette Werner; vice-president Audrey Backenstoe; Secretary, Jeanne Fischer; Treasurer, Joyce Walker.

Boys' League officers were; Fall: president, Bud Roberts; vice-president, Lou Colla; secretary-treasurer, Mike Giammoni. Spring: president, Sam Alaimo; vice-president, Don Butcher; secretary, Mike Margolati; treasurer, Roland Helstrom.

Realizing the need for publication representation on the council, the student body now elects a commissioner of publications. Besides representing the Herald and Bell in council meetings, the commissioner is chairman of the Publications committee which passes on the editorial and financial policies of both publications.

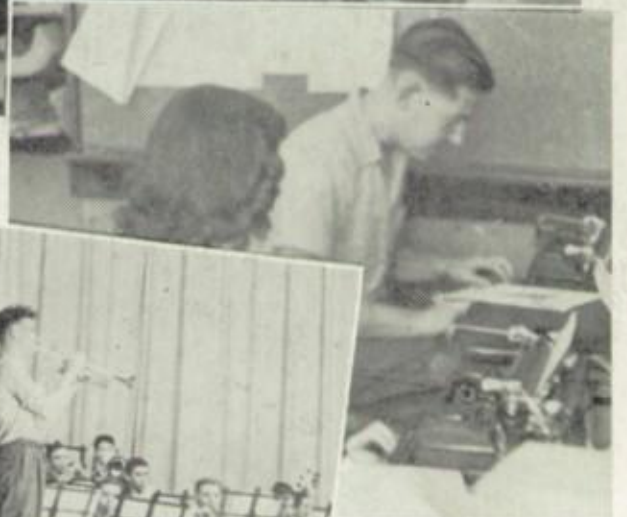

Publication activities included attendance at a number of conferences, foremost of which was the annual three day meeting held at the University of California.

Looking after the interests of three varied, but nevertheless important departments, the Commissioner of General Activities finds enough work to keep himself busy. Debate, music and drama are represented by this commissioner. Debate and music awards are presented to students entering into these activities. Embryonic actors and actresses are honored by election to the honorary drama society, Mask and Scroll. Not directly connected with student government, but doing valuable work was the Lip Reading Class under the direction of Mrs. Lillian Dorsey of the Department of Vocational Rehabilitation.

Working in close conjunction with Mr. Glasson, financial advisor, the finance commissioners each semester prepare a school budget. They are also closely connected with the finances of the athletic department. Yes—they're the ones who punch your tickets at the games and dances.

Located in the East Wing, the Bank is High's Wall Street. Here it is that all school financial matters are handled. Managed by older students under the direction of Mr. Glasson and Mr. Howard, its door each June becomes the Mecca of checking-out students.

Bank officers were; fall: president, Mr. Glasson; vice-president, Marty Taylor; secretaries to Mr. Glasson, Miller, March, Piety, Savio; treasurer, Stanley Miller. For the spring: president, Mr. Glasson; vice-president, John Clark; secretary to Mr. Glasson, Lorraine Miller; treasurer, Herbert Grand.

THE HEROES — THE TEAM CAPTAINS

Representing the athletic interest in San Jose High School, the athletic commissioners aid the coaches in their relations with the student body. While inter-scholastic events hold most of the students' interest, there is also a great deal of enthusiasm in inter-class games.

San Jose is a member of the Peninsula Athletic League and plays most of its games with members of the league.

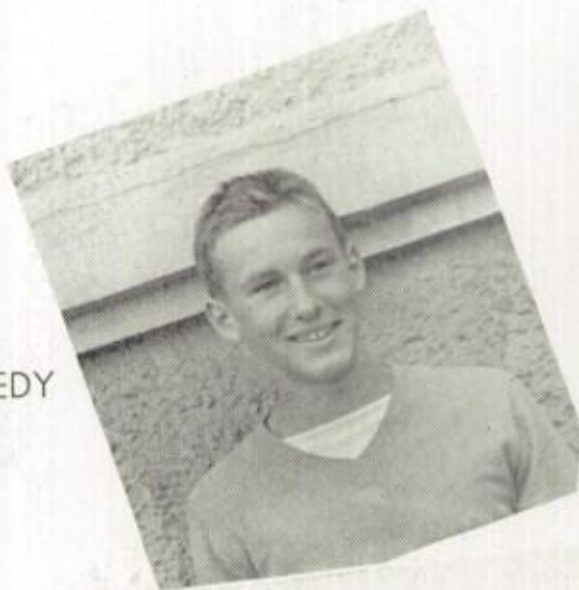

Block "S. J.'s" are annually awarded to those students who have secured the minimum number of points in their respective sports.

Displaying unusual skill in their work, this year's managers are certainly deserving of appreciation. Managers for the year were: Girls': Dolittle, Suppiger, Keast, Scudero, Lico, Kawakami, Monigue, Jolima, D'Anna. Boys': Greenley, Mineta, Lordge, Crema, Gunn, A. Sota, Clark.

SENIOR OFFICERS FEB. '40

JACK BARITEAU
President

With black and white stripes we introduce the fall seniors, not as convicts but as exhibitors of a new type of senior garb. We next see them trying to coordinate limb with limb at the Sutro's ice rink. Their following appearance shows them lending their talents toward their hilarious talent show, and finally we see them bidding adieu, which Jack, Bob, and Ennis did so aptly.

Saving on precious morning time, the spring senior boys began their last term by sporting pajama tops on an eventful Friday. The class furnished color day with a splash of true enthusiasm. Living up to its famous spirit, it enjoyed its traditional picnic and presented a super talent show. With this in its favor, it left on June 17.

Probably the moment of the week when our own Herald was announced the sports writing contest trophy and going on display in the journal. Roger's story was judged from entries of high junior college students from the state of California.

Don't be surprised if the Herald seems a whole lot better (or worse) as all of us came back full of revolutionary ideas about journalism. We might suggest readers take a chance at the editorials a once over, for the Daily Californian has a remarkable editor who gave some valuable information on editorial policy and writing, along with other things.

We heard several outstanding figures in "the noblest of all professions," among them Mr. Raymond Lawrence and Albion Ross. Mr. Lawrence, columnist and editorial writer for the Oakland Tribune told us a few aspects of propaganda and censorship in the present war.

He said an American reporter was trying to get ahold of some of the pamphlets with which the British were

Bells Pop a Presentation

Show Highlights Noon Program

Popping firecrackers and ringing bells noisily announced the beginning of last Wednesday's noon rally in the quad, advertising "Bellz-a-poppin," the fun show to be given at the Roosevelt Auditorium tonight.

Paul Hightower, master of ceremonies, announced the purpose of the rally and told the students that they could purchase their tickets for the Bell show in the center of the quad.

Dorothy Taylor led several yells, among them an appropriate adaptation of the Suzy-Q.

"Suzy-Q and truck on down, 'Bellz-a-poppin'. Let's go to town!"

Roger Helstrom read part of Poe's "Bells" during the program, ringing a large bell when he spoke of "the melancholy menace of their tone."

A sister act was rendered by Josephine and Peggy O'Brien, who danced a hula.

Accompanied by Bob Berry on the piano, Norma Norris sang "It's

FOOTBALL

San Jose High School Varsity football team had a highly successful season ending runner-up in the P. A. L. pennant race. After a slow start, dropping the first two games, one of which was a practice game at Berkeley, the Bulldogs hit their stride by finishing the League campaigns without a further defeat. They were held scoreless by Burlingame, the League champions.

Captain Hawkins, Long, and Hart, guards; Fuentes, Mills, and Stewart, tackles; Killam and Blume, ends; and Buickerood

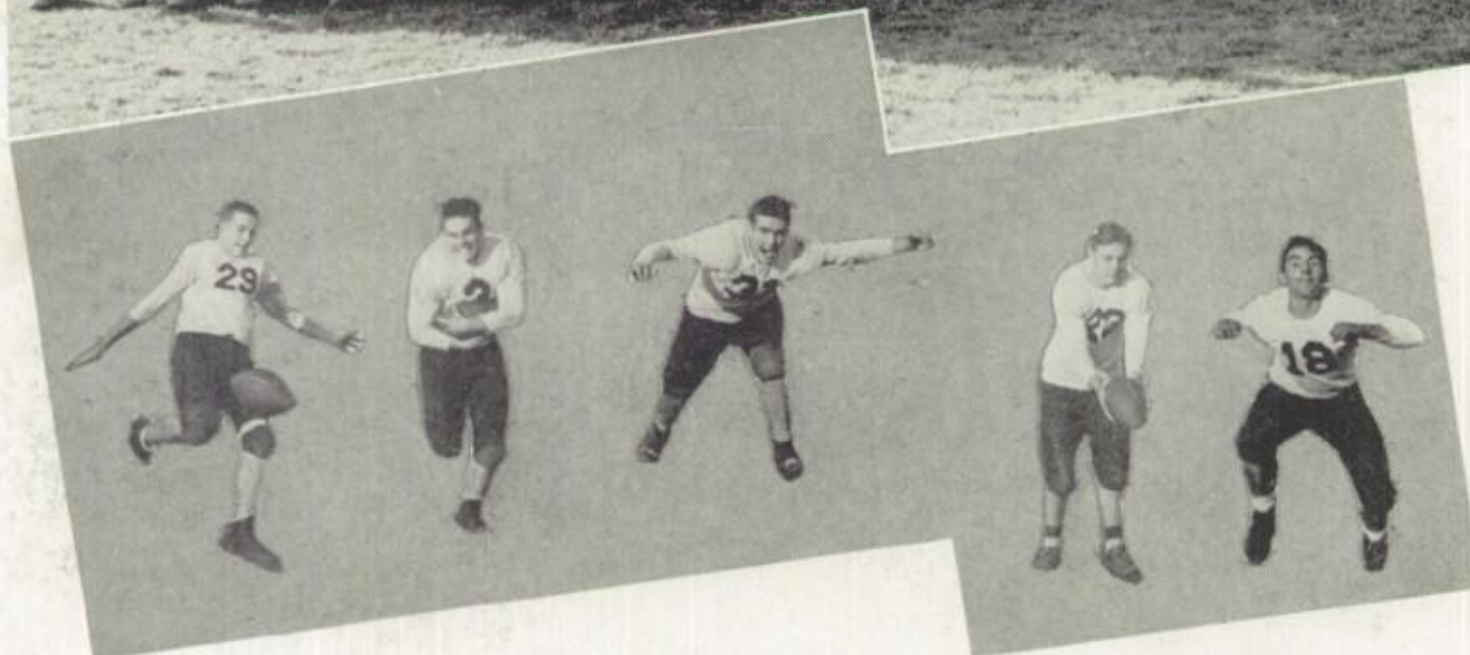

and Holiday alternating at center, made up the forward wall of the Bulldog eleven.

Spottswood, by far the tops in the League from the standpoint of field general ship, and Higgins, Hamlin, Gorham, Scaletta, Roberts, Kennedy, and Dressler made up the backfield.

BASKETBALL-VARSITY

The basketball teams were very successful this year. The 110 pound team retained its P. A. L. title while the Varsity captured their first league pennant in seventeen years. The end of the season found both the 120 and the 130 pound teams near the top of the ladder. Captain Sam Aliamo led the unlimiteds through their successful season; likewise did Wong, Akizuki, and Sluce lead the 110's, 120's, and 130's respectively.

Although San Jose did not again make a clean sweep of the P. A. L. as it had done in the previous two years, it nevertheless left its mark on the annals of P. A. L. history.

Ribisi and Akizuki led the 120's to victory in the P. A. L. and N. C. S. meets. Both broke records in the dashes and broadjump respectively. The relay team also set up a new record in winning its event.

Varsity Captain Kenny Taix won the 100 and 220 yard dashes in both the P. A. L. and N. C. S. meets, but injuries to key men kept the varsity from repeating the successes of previous years.

VARSITY BASEBALL SOPHOMORE BASEBALL

For the third straight year, the Bulldog nine captured the P. A. L. crown. Led this year by Lew Boitano, San Jose won a majority of its thirty-five games. By taking five out of seven league games, the team won the right to play in the O'Shaunessey playoff. From here the mitsmen went on to take the semi-finals from San Mateo and the championship from Sequoia. Fine playing by Boitano, Passantino, Fountaine, Stewart, Wehner, and Lamarra coupled with the fine co-operation of the rest of the team made this season a great season in Bulldog baseball history.

TENNIS

VARSITY TENNIS SOPHOMORE TENNIS

Smashing, lobbing, driving, and serving, this year's Bulldog team completed a successful season. Although running up against the skill of teams from Salinas, Bellarmine, Sacred Heart, Burlingame, Palo Alto, San Mateo, and Sequoia High Schools, the team won two-thirds of their matches. The highlight of the tennis season came when Victor Morton and "Dink" Clark, after taking the P. A. L. doubles crown, went on to capture the first N. C. S. championship San Jose has held since 1926. Members of the team were Morton, Clark, Parnay, Payne, Walker, Talle, McReynolds, Moore.

WATER SPORTS

SWIMMING WATER POLO

The swimming team led by captain Ed Rothwell, took second in the P. A. L. Tom Britton, backstroke ace, captured the backstroke title while the four-man relay team, consisting of Davis, Hazeltine, Carpenter, and Kellner, also won their event.

The water polo team took third in the P. A. L. this year. Led by captain Marty Taylor, the highlight of the season came when the Bulldogs downed the mighty champions of Palo Alto. It was the only game the Vikings lost.

Two husky young linemen were fixing wires near the home of a rather fussy elderly lady who reported them to headquarters for using bad language. When they were hauled up next day before the division boss, one of them gave the facts:

"Well, you see, it was this way: Harry was up a pole and I was following him up, and he dropped some hot lead down the back of my neck, and I said to him: "Harry you really ought to be a little more careful!"

He looked around to see if all was ready. It was. He gazed into strained tense faces, but no one made a move to stop him. Suddenly he placed a short .38 revolver on a level with his temple, mumbled a few parting words, and pulled the trigger. Bang—and amid the cheers of the crowd four athletes sped down the track.

Strangely enough, too, his favorite flower is the same as ours—buckwheat.
